Directors' Vision for Green Initiatives

Nurture nature, so that our children can have a better future. Involve everyone in improving the quality of our environment, as it is the surest and fastest way to save our planet. Seek expert advice, because there are many more ways to contribute to a greener world than we know.

— Mahendra Harsora

Our Initiatives

We are committed to protecting nature through green initiatives. As the first company to install solar panels in Pirangut, Maharashtra, we also operate water-harvesting systems at our Pune plant. With a Platinum GreenCo rating, we undertake tree-plantation drives every year and implement Kaizen practices to benefit both the environment and our customers. We also focus on recyclable packaging to reduce waste.
