Directors' Vision for Green Initiatives

Nurture nature, so that our children can have a better future. Involve everyone in improving the quality of our environment, as it is the surest and fastest way to save our planet. Seek expert advice, because there are many more ways to contribute to a greener world than we know.

— Mahendra Harsora

Our Initiatives

We are committed to protecting nature through green initiatives. As the first company to install solar panels in Pirangut, Maharashtra, we also operate water-harvesting systems at our Pune plant. With a Platinum GreenCo rating, we undertake tree-plantation drives every year and implement Kaizen practices to benefit both the environment and our customers. We also focus on recyclable packaging to reduce waste.

RADHE INDUSTRIES
FELCON MEDICO PRIVATE LIMITED

Office furniture plays a crucial role in creating a productive work environment. Our collection, available in various colors, meets diverse needs and preferences. Enhance your workspace's aesthetic appeal and personalize it to reflect your brand's style with vibrant and neutral hues.

To the owner of our product

This is to certify that we take pride in our workmanship and attention to manufacturing detail. Our products go through rigorous quality-testing procedures and certification.

We inspect every stage, from procuring raw materials to the finished product, and follow ISO 9001:2015 quality management systems.

Hence, we offer a one-year warranty against any manufacturing defects and workmanship on all our products.
